

**BETTER BREAD. BETTER SUBS.**

Cousins Subs is a proud supporter of the local community. We have raised thousands of dollars for schools and organizations within them, like yours, through our Donation Days and we would love to help your school.

When we host a Donation Day for your school or an organization within your school, it's YOUR day! You can have a table or booth in our store selling items to help fundraise, hand out material and promote your cause to our guests. Cousins Subs typically donates 10% of ALL SALES that day towards your fundraising efforts.

We've helped a lot of schools and organizations. Some examples of organizations we've partnered with are the parent/teacher organizations, booster clubs, athletic departments, sports teams within the schools, just to name a few. Please feel free to share my contact information with anyone that may benefit from our Donation Days.

If you'd like to set up a meeting or ask some questions please feel free to contact me directly. Below you will see some of the requirements involved to partner with us and participate in one of our Donation Days.
